

## SPORTS FACILITIES

At Sadbhavna College of Education, we have a strong Sports culture because we know that incorporating sports into everyday life may help students develop holistically. The Sports club makes sure that students have access to both indoor and outdoor sports facilities all year long by designating specific areas for practice and tournaments. While outdoor sports like basketball and volleyball appeal to fans of team sports, indoor games like chess, carrom, and table tennis offer an excellent setting for strategic thinking and friendly competition. In order to promote diversity in campus athletics, a contemporary multi-court for basketball, volleyball, and tennis is open to both male and female students. SCEW offers specialised trainers that give additional sessions like karate instruction and self-defence to further improve student participation and performance. Participation in intercollegiate and national competitions is regularly encouraged for these teams. The university also hosts its own competitions and Rolling Trophies for different games, which heightens the competitive atmosphere and makes athletics a vital and thrilling aspect of campus life. The Sports Club is essential in developing self-assured, disciplined, and health-conscious people because of its methodical approach and fervent involvement.

## SPORTS CLUB
